

## Ten simple things you can do to help pass Measure A

1. **Commit to voting YES on Measure A and remember to vote!**
2. **Endorse Measure A and help us gather YES on A endorsements.** Let us use your name publicly as a supporter of Measure A. Then, help us find more people to endorse Measure A by joining our Endorsement Committee.
3. **Send “Dear Friend” postcards to friends and coworkers.** Let your friends and coworkers know that you are voting Yes on A and urge them to join you.
4. **Help distribute YES on A flyers in your neighborhood.** Pass out flyers in your neighborhood giving likely voters the information they need to vote Yes on A.
5. **Make a financial contribution.** Any amount—large or small will help educate over 100,000 voters that are expected to vote on Measure A. Financial resources will help us get our message out to voters who vote.
6. **Take a YES on Measure A sign—and ask your neighbors to join you.**
7. **Help educate voters on the many reasons to vote YES on A.** Join one of our YES on A voter contact teams. Volunteer on the phone banks one night a week until Election Day.
8. **Write a letter to the editor.** The more voters who see YES on A letters in our local newspapers, the better. Write a letter highlighting why voters should pass Measure A.
9. **Attend a Measure A presentation or better yet, host one yourself.** Show your support by going to a presentation on Measure A. Want to do more? Host a “coffee” at your home. Just let us know and we will be glad to help you.
10. **Help Get Out The Vote (GOTV) for Measure A on Election Day.** Election Day volunteers are needed! Commit to volunteering this Election Day to ensure Measure A WINS!
